8. day

During the morning we bring you back to the airport. From there you start the journey home.

Character of the trip:

The journey begins and ends in Berlin at Tegel Airport. Please inform us in time if your flight goes to Berlin-Schönefeld. We also try to organize a pick-up from there - but can not guarantee this in advance.

Our tour is a group trip. Not everyone has the same interests and one or the other may also want to see something special that is not included in the itinerary. Please contact us in time. There is plenty of time that even outside the itinerary an additional program item can be added.

Of course, you may also leave the group for a period of time and explore the city on your own. With the personal ticket and the SIM card we give you the necessary independence to be on your own without any problems.

Pre-existing conditions:

Our guides should know if you are taking medication and / or are suffering from a pre-existing condition. In an emergency we can save your life.

Important notes:

RUNAKAY TRAVEL tries to perform all mentioned program items. Unfortunately it happens that the weather or other reasons (eg strikes) make a change of the travel procedure necessary. For this we ask for your understanding.

Please also note the travel advice of your Foreign Ministry.

After your booking and sending the travel confirmation we expect the payment of 20% of the travel price. We request the missing amount at least one month before the start of the journey.

Please note the minimum number of participants during the journey. If we have not reached the necessary number of persons until 2 months before the start of the journey, we will personally contact you and discuss the further procedure.

The information was compiled on 17.09.2019 for you.
